# Highlights

## No bulb included

This luminaire comes without a bulb, which enables you to choose the light output which is best suited to the room and your personal taste. Choosing a Philips LED bulb will ensure a high quality and long-lasting light output.

## Choose for heritage style

This light has a unique design signature to help you create a heritage outdoor look.

## High-quality aluminium and real glass

This Philips light is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminium and real glass.

## IP44 – weatherproof

This Philips outdoor light is especially designed for humid outdoor environments and has been tested rigorously to ensure water resistance. Its IP44 rating means that it has been certified to offer ingress protection against dust and splashing water – perfect for general outdoor use.
