65W USB Type-C Charger

Targus APA107EU power adapter/inverter Indoor 65 W Black:

Wherever your business travel takes you, whether to the office or to the client, it's essential to be fully charged for the journey. Take the Targus 65W USB-C PD Charger with you – and keep your USB-C laptop, tablet, or phone topped up*.

The power adapter supports up to 65W, powerful enough for most laptop devices up to 14 inch. The power adapter utilises Power Delivery technology and combines with Targus power protection designs to ensure fast and safe charging by optimising charging current at all times. It provides protection against immediate damages due to over current and over heating as well as preserving long term battery health, prolonging the device life.

Compact and lightweight, it also keeps your cords from tangling and neatly stored with the included cable tie.
