

PAD-ASCS10

Anti-Theft Security Case with Stand

for iPad 7th Gen 10.2", iPad Air 3 & iPad Pro 10.5"

Anti-Theft Security Case with Stand

Keep your tablet protected and secured with CTA Digital's Anti-Theft Security Case with Stand for iPad. This is an ideal security stand solution for display, point of sale or personal use. The slim but strong case is designed to fit the iPad 7th Gen 10.2", iPad Air 3 & iPad Pro 10.5" with convenient access to all ports and buttons. The tablet easily slides in and can be safely kept inside the protective case and locked to a secure object using the included cable lock and keys. The case can tilt 180° to easily adjust the viewing angle and rotate for horizontal or vertical views. A solid metal stand offers stability and can be secured to a desk or countertop through predrilled holes for easy installation and extra security.

Features Include:

- Lockable case can be secured with included cable lock and key
- Easily adjust viewing angle 180° or rotate for horizontal or vertical views
- Stable metal stand with predrilled holes for countertop installation
- Case designed for iPad 7th Gen 10.2", iPad Air 3 & iPad Pro 10.5" with access to all ports and buttons
- Ideal security solution for office, retail, school or commercial use
