X Covers unused space

X RoHS Compliant

Features

- Manage airflow
- Covers unused space
- Various Sizes
- Letterbox Version
- Provides labelling surface
- Enhances Cabinet Appearance
- Brush Strip Version
- RoHS Compliant

Product Overview

A range of 19" (483mm) plates that allow the unused space to be covered. The covering of the rack mount space within a cabinet may be desired for a range of reasons from covering unused space to managing airflow. The Excel Plates are available in different sizes. Letterbox style and brush strip versions are available where a method of allowing patch leads to be managed to the back of the cabinet are required.

Part Number Information

Part No.	Description
100-598	1U Blanking Plate - Black
100-602	2U Blanking Plate - Black
100-606	3U Blanking Plate - Black
100-610	1U Letter Box Panel - Black
100-599	1U Brush Strip Letter Box Panel - Black
100-599	1U Brush Strip Letterbox Panel - Black

Dimensions

100-598	L=483mm H=44mm
100-602	L=483mm H=88mm
100-606	L=483mm H=133mm
100-610	L=483mm H=44mm consists of x2 184mm Brush strip apertures
100-599	L=483mm H=44mm consists of x1 390mm Brush strip aperture
