MSRP	£49,99

### Great for

- Wall-mounted TVs
- TVs farther from your router
- Spectacular picture quality

### At a glance

- Powerful, portable streaming
- Long-range Wi-Fi®
- Hides behind your TV
- Voice remote with TV controls

### Description

Roku® Streaming Stick® 4K is faster and more powerful than ever. The redesigned long-range Wi-Fi® receiver is super-charged with up to 2x the speed—exactly what you need for smooth streaming in spectacular 4K, Dolby Vision®, and HDR10+ picture. Start streaming in a snap and enjoy a massive selection of free, live, and paid channels, including free Emmy®-nominated Roku® Originals on The Roku Channel. The sleek design hides neatly behind your TV with a simple setup. Plus, easily search across thousands of channels with your voice and control your TV, streaming, and sound—all with the included remote.

### Features (bullets)

- Breathtaking picture quality – Stream in 4K, Dolby Vision®, and HDR10+ with sharp resolution and vivid colour.
- Voice remote – Power up your TV, adjust the volume, and control your streaming with one voice remote.
- Hides behind your TV – Plug it in, connect to the internet, and start streaming. It is that simple.
- Long-range Wi-Fi® – Enjoy fast, smooth TV streaming in any room with a strong Wi-Fi® connection
- Stream Free – Upgrade your streaming with a massive selection of free movies and series including Roku® Originals on The Roku Channel
- Snappy and responsive, you will stream your favourites with ease — enjoy movies and series on Netflix, BBC iPlayer, Disney +, ITV Hub, All4, My5, Apple TV+, BT Sport, Prime Video, NOW and many more.
- Use features like private listening, cast music and photos to your TV, and an extra remote with the free Roku mobile app (iOS and Android)
- Supports Google Assistant, Amazon Alexa, Apple Homekit and Apple Airplay 2
- Setup is a cinch: Plug it in, connect to the internet, and start streaming - it is that simple

## Features (Long)

### **Designed to stream, not be seen**

The all-new design plugs right into your TV with a simple setup. It's perfect for wall-mounted TVs and keeping wires out of sight.

### **Take your favourite TV with you**

Move it around your home or pack it when you travel. Roku® Streaming Stick® 4K is perfectly portable to stream almost anywhere.

### **Small device. Big entertainment.**

Get to your entertainment in a snap with a super-fast startup. Enjoy smooth streaming in rooms farther from your router with the long-range Wi-Fi® receiver, now up to 2x faster.

### **Smooth streaming for any room**

Watch your favourite entertainment on any TV in the house, even in rooms farther from your router thanks to the redesigned long-range Wi-Fi® receiver, now up to 2x faster.

### **No more juggling remotes**

Power up your TV, adjust the volume, and control your Roku device with one remote. Use your voice to quickly search, play entertainment, and more.

### **Breathtaking picture quality**

Stunningly sharp 4K picture brings out the rich detail in your entertainment with four times the resolution of HD. Watch as colours pop off your screen and enjoy lifelike clarity with Dolby Vision® and HDR10+.

### **Stream bigger**

Upgrade your streaming with a massive selection of free, live, and paid channels, including free Emmy®-nominated Roku® Originals on The Roku Channel. The customizable home screen puts your favourites front and center, so you can spend your time streaming—not scrolling.

### **Always up to date**

Get the latest features, newest channels, and more without even thinking about it thanks to automatic software updates.

### **A perfect fit for any smart home**

This Roku player seamlessly fits into any home technology ecosystem and is compatible with most popular smart devices.

### **Share it with Apple AirPlay**

Effortlessly share videos, photos, music, and more from your Apple device to your TV in a tap.

### **Works with popular voice assistants**

Works with Siri, Alexa, and Google Assistant. Search, play entertainment, and more with your voice using compatible voice assistant-enabled devices.
