

TCL NXTPAPER₁₁

Full-color Electronic Paper Display

11" 2K NXTPAPER Display With
NXTVISION.

Light & Thin.

8000mAh Battery.

NXTVISION

Paper- like display experience

TÜV certified low blue light · Original colors preserved · Anti-glare

11' 2K display features a 10-layer eye protection. Each layer delivers a certain benefit powered by NXTPAPER Technology. With a reading mode, the NXTPAPER display offers color and grayscale effects for book-like experience.

Entertainment with all-day battery life

Feel captivated by theatre-like viewing on an 11" 2K display. For enjoyable streaming, with quad speaker system delivers surround sound and perfect clarity for all of your video conversations.

An 8000 mAh battery supports up to 10 hours of streaming (Wi-Fi video playing).
