

## Dual Cameras, No Blind Spots, Powered Forever\*

SoloCam S340

### Powered Forever\*, Always On

With the removable solar panel, 2 hours of daily sun keeps the camera powered. SolarPlus™ technology gives you always-on security and constant peace of mind.

\*With optimal sunlight, the removable solar panel can collect and store 600 to 1,200 mAh per day. SoloCam S340 uses 100 to 200 mAh over a day, and night of average use.

### Dual-Cam 3K Clarity Day and Night

#### 3K to View What Matters Clearly

See every detail in 3K resolution when live viewing or viewing recorded footage.

#### 8x Smart Zoom Shows Crisp Details

Dual cameras work together to auto-zoom on a target with up to 3x optical and 8x digital zoom.

### 360° Guardian, No Blind Spots

360° pan and tilt allows the camera to check your front porch, monitor the whole front yard, and keep an eye on the driveway.

### Solar Panel Installation Options Allow Placement Anywhere
