Flat Panel Cart for 43" to 75"+ Displays

[Peerless SR860-EUK multimedia cart/stand:](#)

The SR860 SmartMount® Flat Panel Trolley provides all of the necessary features to support your mobile display deployment, whether that's in a boardroom or a classroom. The minimalistic, tubular design provides a clean aesthetic by hiding all cabling through the internal structure. The trolley also includes a IEC pass through cable that is neatly stored in the rear hinging compartment. This protects the cord from damage, but also makes moving your display from room-to-room a breeze. The rear ABS molded cover helps hide any cabling, media players, or mini PCS, which means behind the display will not look cluttered if the trolley is placed where the back is visible.
