All work, no wires

Enjoy a fully wireless experience with a 6m range, so tangles are a thing of the past – and freedom of movement is here to stay. Plus, a compact shape makes commutes more comfortable than ever.

Learning curve? What learning curve?

With 3 buttons and a scroll wheel, the Primo is just about as simple – and easy to use – as it gets.

Be precise

A speed select button enables you to seamlessly switch between 1000 and 1600 DPI, depending on your preferences or the task at hand.

Power up (or down)

An on/off switch saves power and prolongs battery life, so you'll always have juice when you need it. That's right, missed deadlines are a thing of the past (unless you procrastinate).
