

USB-C Male to HDMI 1.4 Female x2 4K UHD

V7UC-2HDMI-BLK

SKU: CA06364

Easily connect any USB-C Alt mode equipped device to two 4K UHD - 3840x2160 HDMI displays with ease with USB-C Video Adapter from V7. Extend or mirror your workstation to two displays for multitasking. Manufactured with rigorous fatigue, load, and performance testing at ISO certified facilities with high standard procedures for material handling and inspection. Comes with a 2 year warranty.

- Dual 4K displays from one USB-C host device enhances productivity in extend or mirror mode (4K@30Hz or 1080p@60Hz)
- Small and lightweight connectivity enables your workstation with the convenience of two independent displays with no additional clutter
- Simple plug-and-play connectivity for great compatibility with USB-C enabled devices and Thunderbolt 3 compatible
- Built with corrosion-resistant connectors and strain relief for optimal signal transfer, fit and durability
- Manufactured in our ISO certified facilities and backed by V7's warranty
