

500GB, 1TB\*

## SanDisk Extreme® Portable SSD

Accelerate every move with SSD performance

### Highlights

- Fast NVMe™ solid state performance in a portable, high-capacity drive
- Drop protection, IP55 water and dust resistance, X-ray and shock proofing<sup>3</sup>
- Handy carabiner loop to secure the drive to your belt loop or backpack
- Help keep private content private with the included hardware encryption<sup>2</sup>
- Compatibility with a range of USB Type-C™ smart phones for fast, easy backup
- 5-year limited warranty<sup>1</sup> and a durable silicon shell for added protection
- From SanDisk®, the brand trusted by professional photographers worldwide

Your life's an adventure. To capture and keep its best moments, you need fast, high-capacity storage that accelerates every move. 1050MB/s read and 1000MB/s write speeds let you store your content and creations on a fast drive that fits seamlessly into your active lifestyle. Up to two-meter drop protection, with IP55 water and dust resistance,<sup>3</sup> a carabiner loop for securing the drive, and a 5-year limited warranty<sup>1</sup> give you the peace of mind to take it with you on travels near and far. From the brand trusted by professional photographers, the SanDisk Extreme® Portable SSD provides fast solid state performance in a tough, reliable storage solution.
