The Platinet PCWC1080SP is a 1080p webcam with built in digital microphone and speaker and privacy protector

The Platinet 1080p webcam has a built-in digital noise-reducing microphone, and 2x 1W RMA speakers, which makes it perfect for both office and home use during videoconferencing, video recording or photography.

The device does not require installation with drivers thanks to the plug & play function. The webcam means high sound quality and sharpness of the image in combination with the elegant design of the device.

If you are concerned about your privacy, when not used, you can cover the lens with a special privacy protector.
