The LabelWorks family

Epson labelling solutions can help make identification easy. With label makers and tapes to suit every need, LabelWorks has you covered.

Whether you require resistance to abrasion, chemicals or extreme weather conditions, Epson labels have been designed to survive the toughest conditions.

From heat shrink tubes to self-laminating cable wrap, our tape range offers you complete versatility and flexibility, whatever you need to label.

With rugged handheld and desktop models and various connectivity options, Epson label makers are suitable for use in a wide range of environments.

LK tape range

LK tapes are compatible with the full LabelWorks range. Available in a range of colours, widths, materials, shapes and finishes, you can create labels for a variety of different applications[4].

Each label has a multi-layered structure for high durability and is free from chlorine. Labels can be printed with smaller margins to help reduce wastage.

LK tapes

Continuous tapes	Fluorescent	Fluorescent	Glow-in-the-dark	Heat resistant	Iron-on	Magnetic
