

## i-tec USB-C Display Port Adapter 4K/60 Hz

i-tec USB-C to Display Port Adapter 60 Hz,  
1x Display Port 4K Ultra HD, compatible  
with Thunderbolt 3

### PRODUCT DESCRIPTION

Extend your desktop with an external Display Port monitor via the new USB-C or Thunderbolt 3 connector. The adapter supports the transfer of 4K Ultra HD resolution up to 3840 x 2160 @ 60 Hz pixels including the audio signal.

Using is very simple, just plug the adapter into the USB-C or Thunderbolt 3 port on your computer, connect it with a display device via Display Port cable and you can immediately start using. Driver installation is automatic from the system.

Please make sure to check a compatibility of your device, whether it meets all the requirements for an operation of the specific i-tec product, especially video output (Display Port Alt mode), and/or Power Delivery. If your device would not be fully compatible, your new i-tec product may not operate correctly. You may find the specifications your device (i.e. USB port), in a user manual supplied with your notebook/tablet/smartphone, or – alternatively – via customer service provided by a manufacturer of your device. If still uncertain, however, contact our service at [support@itecproduct.com](mailto:support@itecproduct.com).

Long product description: i-tec USB-C to Display Port Adapter 60 Hz, 1x Display Port 4K Ultra HD, compatible with Thunderbolt 3
