

Unbeatable classic with eye-catching features

10 layers circuits design with professional anti-noise feature

Customized high-temperature resistant capacitor

Outstanding multitasking ability

The Lifetime warranty offers you peace of mind when creating

UNLEASH CREATIVITY

T-CREATE CLASSIC DESKTOP DDR4 10L is tailor-made for creators. Classic style design with professional anti-noise 10 layers circuits design. The customized high-temperature resistant capacitor, offer faster processing time in every command and provide a convenient warranty process. The combination of an unbeatable style outside and a powerful design inside allows the creator to enjoy a fast and stable experience.

CLASSIC DESKTOP DDR4 10L

Specification

Module Type	DDR4 288 Pin Unbuffered DIMM Non ECC	
Capacity	8GBx2 / 16GBx2 / 32GBx2	
Frequency	2666MHz	3200MHz
Data Transfer Bandwidth	21,328 MB/s (PC4 21300)	25,600 MB/s (PC4 25600)
Latency	CL19-19-19-43	CL22-22-22-52
Voltage	1.2V	1.2V
Dimensions	32(H) x 140(L) x 7(W)mm	
Heat Spreader	Aluminum heat spreader	
Warranty	Limited Lifetime
