K120 Corded Keyboard

Logitech K120 Corded Keyboard:

The USB wired Logitech® Keyboard K120 delivers a typing experience built to last in school settings. Students enjoy comfortable keys, a standard and familiar layout with full-size F keys and a number pad. Durable keys last up to 10 million keystrokes. The silicone cover tightly wraps the keyboard and is tested to withstand frequent cleaning and disinfecting per CDC guidelines for safe, shared use. Bold, bright white characters ensure all students—even those with less-than-perfect vision—can easily read them. Students can adjust the sturdy yet flexible legs to position the keyboard to meet their individual ergonomic needs. Works with Windows devices. [1,2]
