Troubleshooting

If you are having trouble with your canvas, try resetting it to the factory configuration:

1. Find a pen, paperclip, or other slim object to press the reset button with.
2. Disconnect the power cord from your canvas.
3. Locate the small, recessed reset button near the power connector.
4. Using the object from Step 1, firmly press and hold the reset button.
5. While continuing to hold the reset button, plug the power cord back into your canvas.
6. Wait twenty seconds, then release the reset button.

The Meural logo remains on the screen for a few seconds, then the canvas automatically reboots.
