WITH BOTH

COMPATIBLE

## Dual USB-C Mode

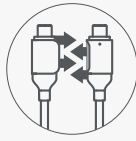

Connect the two USB-C magnetic connectors for use with a Macbook (Pro/Air) to support dual 4K displays and other accessories

## Single/Dual USB-C Mode

Connect the primary connector (with a single USB-C DP Alt mode enabled Windows laptop) or both the USB-C connectors (with a dual USB-C DP Alt mode Windows enabled laptop) to support dual displays and other accessories

## Magnetic Connectors

Innovative Magnetic Connectors ensures dual display support with all Macbooks (Pro/Air) and USB-C enabled Windows computers.

## Compact and Portable

ALOGIC's design innovation has allowed us to make the Super Dock small and easy to transport without compromising on any functionality. With the Super Dock your device becomes a portable workstation capable of delivering all the performance you need whether at your desk or on the road.
