NEOMOUNTS DESK MONITOR ARM

Neomounts desk monitor arm (clamp & grommet) for a monitor (10-27" screen) and keyboard & mouse (height adjustable) - Black

The Neomounts workstation, model FPMA-D500KEYB, is a desk mount for monitor, keyboard and mouse. This product is suitable for screens up to and including 27" (69 cm). By using the Neomounts workstation you can assemble a complete workplace to a desk using a desk clamp or grommet, that are both included.

This ergonomic product offers you maximum comfort, freedom of movement and productivity. It is suitable for screens up to and including 27" (69 cm) with a maximum weight of 9 kg and a VESA hole pattern 75x75 or 100x100 mm.

Setting the desired working position is easy with the two pivot points and the turn, tilt and rotation function for the display. The arm is height adjustable to 78 centimetre and the depth can be adjusted between 0-56 cm. The distance between the monitor and keyboard/mouse is adjustable.

All installation material is included with the product.
