USB Crash Cart Adapter with File Transfer & Video Capture

Product ID: NOTECONS02

The USB crash cart adapter gives you control of a headless system, turning your laptop into a portable crash cart for rack servers, PCs, ATMs, kiosks, and more.

Simply connect the laptop crash cart adapter to your computer using the included USB cable, then connect the integrated USB and VGA cables to your server for instant BIOS-level control. With no server-side software required, you can be up and running instantly.

With the flexible software interface, you can transfer files from your laptop to the server, capture videos for records or instructional purposes, take screenshots and scale the display window to full screen mode or smaller, with no scroll bars helping you to troubleshoot faster.

Powered from the server-side USB connection, the KVM adapter doesn't require an AC outlet so you can connect to any PC or device that has a VGA and USB port, even if there's no power outlet available.

This pocket-sized adapter features a compact design that easily fits inside your laptop bag and requires no additional accessories to connect, eliminating the need to lug around a large, awkward traditional crash cart to troubleshoot and service your systems.

StarTech.com offers a wide selection of high-quality KVM-related products to help you access your systems more efficiently without the expense and clutter of extra keyboards, mice and monitors. This USB KVM crash cart adapter is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

• ATM and VLT maintenance and repair

• Mobile systems and server repair

Features

• Access any VGA and USB system directly from your laptop via the KVM console adapter

• Set up quickly with included cables and instant BIOS-level control

• Easily troubleshoot systems with bi-directional file transfers between local and remote computer

• Simple self-powered portability with no external power adapter necessary

• Share troubleshooting information and display errors with video capture at 1920 x 1200 60Hz

Hardware

	Warranty	2 Years
	Audio	No
	KVM Ports	1
	PC Interface	USB
	PC Video Type	VGA
	Number of Monitors Supported	1
	Rack-Mountable	No
	Cables Included	Yes
	Daisy-Chain	No

Performance

	On-Screen Display	No
	IP Control	No
	Hot-Key Selection	No
	Maximum Analog Resolutions	1920x1200 @ 60Hz
	Maximum Number of Users	1
	MTBF	909000

Connector(s)

	Console Interface(s)	USB Mini-B (5 pin)
	Host Connectors	VGA (15 pin, High Density D-Sub)
		USB Type-A (4 pin) USB 2.0

Software

	OS Compatibility	Windows XP, Vista, 7, 8, 8.1, 10, 11
		Windows Server 2008 R2, 2012, 2012 R2, 2016, 2019
		macOS 10.9 to 10.15, 11.0, 12.0
		Linux 2.6 to 4.11 (<i>LTS Versions Only; glibc 2.18 or newer required</i>)

Special Notes / Requirements

	Note	If you're interfacing with a Linux device, this adapter is only compatible with standard QWERTY keyboards in U.S English configuration

Indicators

	LED Indicators	User Console/USB Link
		Host/Server Video (VGA) Link
		Host/Server Keyboard/Mouse USB Link

Power

	Power Source	USB-Powered

Environmental

	Operating Temperature	0C to 40C (32F to 104F)
	Storage Temperature	-40C to 70C (-40F to 158F)
	Humidity	80% RH

Physical Characteristics

	Color	Black
	Material	Plastic
	Cable Length	16.4 in [41.6 cm]
		1 x 15in (385mm) USB host cable, 1 x 3in (76mm) VGA host

cable, 1 x 6ft (1.8m) USB Console cable

	Product Length	4.9 in [12.5 cm]
	Product Width	2.9 in [74.0 mm]
	Product Height	0.6 in [15.0 mm]
	Product Depth	4.5 in [11.5 cm]
	Weight of Product	6.0 oz [170.0 g]

Packaging Information

	Package Length	11.9 in [30.3 cm]
	Package Width	6.5 in [16.6 cm]
	Package Height	1.8 in [46.0 mm]
	Shipping (Package) Weight	12.8 oz [363.0 g]

What's in the Box

	Included in Package	USB Crash Cart Adpater
		USB A to Mini-B Cable
		USB Software Key
