be quiet!®

PURE BASE 600

EXCEPTIONALLY SILENT AND FUNCTIONAL

IDEAL APPLICATIONS

Air-cooled and water-cooled systems
Gaming and multimedia PCs
Quiet home theater PCs

HIGHLIGHTS

Highly versatile construction
Water cooling optimized with adjustable top cover vent
Two pre-installed Pure Wings 2 fans
Completely sound-insulated on top, side and front

Exceptionally Silent and Functional

Pure Base 600 Window is truly multi-talented, offering a great deal of functionality and features for an attractive price.

Highlights »

- Highly versatile construction with repositionable HDD slots and a removable ODD cage
- Optimized for liquid cooling with three specially designed areas of up to 360mm to add water cooling radiators
- Adjustable top cover vent that can be closed for absolute silence, partially open for more air exhaust or fully open, with the added possibility to mount a radiator
- High-quality, fully windowed side panel made of tinted and tempered glass
- Whisper-quiet operation thanks to two pre-installed Pure Wings 2 fans featuring nine airflow-optimized fan blades that reduce turbulence while increasing the air pressure
- Completely sound insulated with integrated dampening material on top, side and front
- Professional cable management is adaptable with extensive cable routing options
- 3-year manufacturer's warranty
- Product conception, design and quality control in Germany

Pure Base 600 Window »

Smart usability features and whisper-quiet operation enable you to realize almost any system configuration you desire for your ATX or micro ATX PC. It is the perfect base for your system.
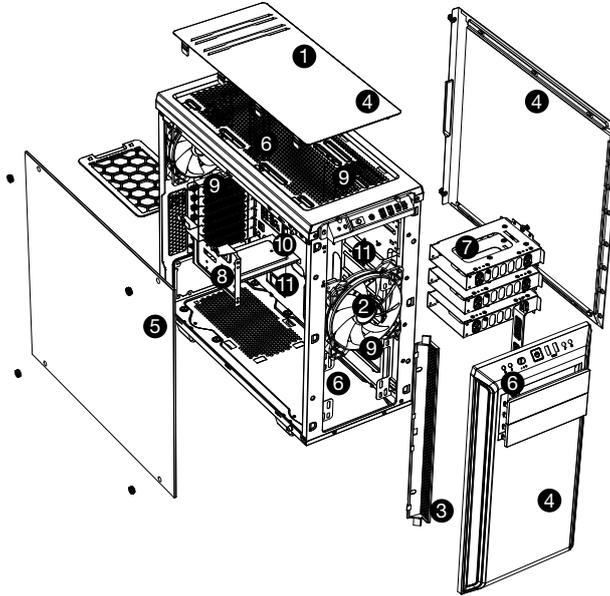

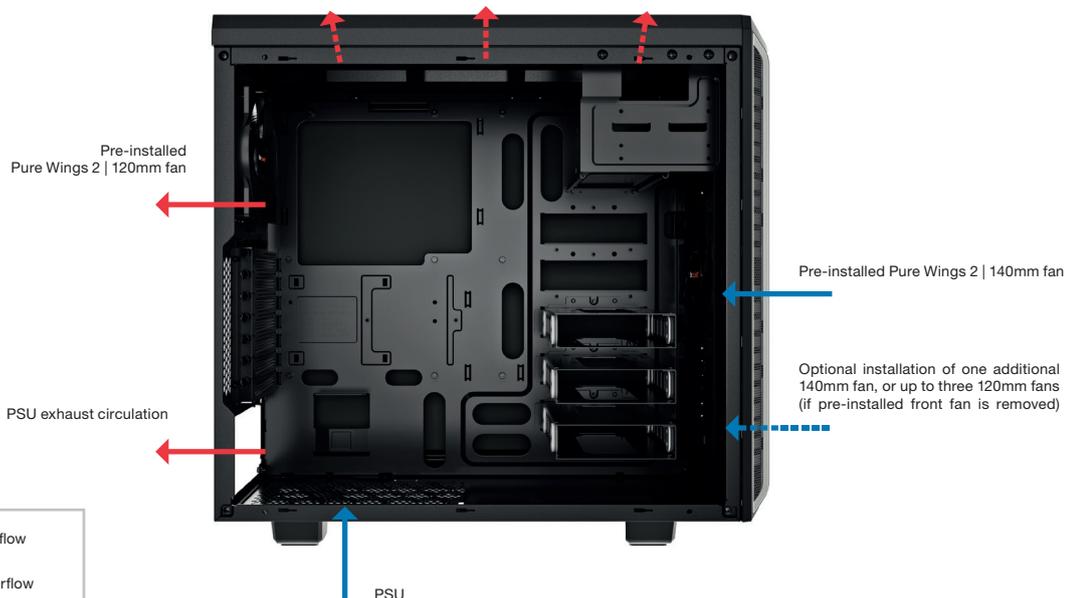

+ NOISE INSULATION

+ AIRFLOW CONTROL

Features »

1. Adjustable top cover vent can be closed for absolute silence, partly opened for more air exhaust or fully open, with the added possibility of mounting a water cooling radiator

2. One Pure Wings 2 140mm front intake fan and one Pure Wings 2 120mm rear exhaust fan for outstanding cooling performance

3. Airflow follows a clear path that quietly and efficiently lowers the system's temperatures. All exhaust air is directed to the rear, to further minimize any noise experienced

4. Sound-insulated side and front panels as well as top cover

5. Fully windowed side panel from tinted and tempered glass

6. Design permits the installation of up to four additional cooling fans. Integrated 3-step fan controller for up to three fans

7. Truly versatile, thanks to repositionable and removable HDD slots

8. Removable ODD tray for maximum flexibility of water cooling and drives

9. Chassis is optimized for liquid-cooling, with three specially designed areas to add radiators

10. Motherboard tray features large cutouts for the CPU cooler back plate, supporting all present and future CPU socket designs

11. Professional cable management is optimized by extensive cable routing options

Airflow »

Optional installation of up to two 140mm or three 120mm fans

Pre-installed Pure Wings 2 | 120mm fan

Pre-installed Pure Wings 2 | 140mm fan

Optional installation of one additional 140mm fan, or up to three 120mm fans (if pre-installed front fan is removed)

PSU exhaust circulation

→ regular airflow

⇠ optional airflow

General Data Case »	
Motherboard compatibility	ATX, M-ATX, Mini-ITX
Form factor PSU	ATX PS/2
Case size (L x W x H in mm)	492 x 220 x 470
Material	0.8 - 1mm steel, ABS plastic, 4mm tempered glass window
Weight incl. package / without package (kg)	8.74 / 7.44
I/O Panel	2x USB 3.0, HD Audio (mic + headphone jacks)
Expansion slots (pcs.)	7

Drive Bay Capacity »	
5.25	2
3.5	3 (removable)
2.5	2 on motherboard tray 6 inside the HDD slots (removable)

Cooling System »	
Pre-installed Pure Wings 2 fans (mm / rpm)	Front: 1x 140 / 900 Rear: 1x 120 / 1,200
Optional fans (mm)	Top: 2x 140 / 3x 120 Front: 140 / up to 3x 120 (w/o pre-installed 140mm fan)*
Optional liquid cooling system (radiotor in mm)	Top: 120, 240, 360* Front: 120, 140, 240, 280*, 360 (w/o 5.25" cage) Rear: 120
Cooling solutions	Air channels (front) Adjustable and removable top cover Manual 3-step fan controller (3x 3-pin)

Maximum Dimensions (mm) »	
CPU cooler	up to 165
PSU	210
Graphics card (standard)	280
Graphics card (w/o HDD slots)	425

Insulation and Damping »	
Sound insulation mats (top, front, side)	✓
Anti-vibration decoupled HDD / PSU	✓

*without 5.25" bay

Color Options »

Pure Base 600	Art. no	EAN code
Window Black	BGW21	4260052185445
Window Orange	BGW20	4260052185438
