Security Slot Adapter Kit - K-Slot Lock Plate Adapter for Tablet/iPad/Computer/Monitor/Phone/Laptop - T-Bar Compatible - MacBook Pro/Air - Anti-theft - Slim Design - Silver

Product ID: KSLTAD

Protect your laptop, dock or other device against theft with this Kensington® lock slot (K-Slot) security adapter.

Versatile Use

Ideal for use in public environments or at the office, the anti-theft lock laptop adapter features a sleek silver finish that blends with most devices. To secure your device in a variety of different workspaces, the laptop lock adapter can be placed on almost any flat surface of your device. The low-profile design ensures that the security slot adapter kit does not obscure any ports or cables on your device.

Maximize Security

Ensure that your laptop, tablet, dock, smartphone or other device is anchored safely to your workspace. To provide dependable theft protection in a wide range of retail, commercial, and institutional environments, the laptop security slot adapter is compatible with locks that feature the industry-standard Kensington lock slot (K-Slot). Installation of this security slot adapter kit is intended to be permanent.

The Choice of IT Pros Since 1985

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.
