

HyperPower100W

100W GaN Type-C Car Laptop Charger

Charge any laptop, ultrabook, or mobile device with the HyperPower GaN Type-C Car Laptop Charger. Flexible and universal, the HyperPower delivers fast, efficient charging to USB-A and USB-C devices simultaneously through an automobile auxiliary power outlet.

Features:

- ✓ Qualcomm Quick Charge 4+ standard.
- ✓ Charge USB-A and USB-C devices
- ✓ Charges notebooks, tablets, smartphones, and other devices.
- ✓ For use in cars, lorries, motorbikes, mobile homes, motorboats and more.
- ✓ Includes 1.2m E-marker USB-C power cable.
- ✓ Thermal and over-voltage protection
- ✓ Ultra-compact and lightweight

Universal Charging, Anywhere.

The Hypertec HyperPower 100W GaN Charger allows you to charge all your mobile devices (notebooks, ultrabooks, convertibles, tablets, smartphones, ect.) via a single adapter. Featuring a 12-24V DC plug, the charger is suitable for cars, lorries, motorbikes, mobile homes, motorboats, and most other vehicles.

Charge Multiple Devices Simultaneously

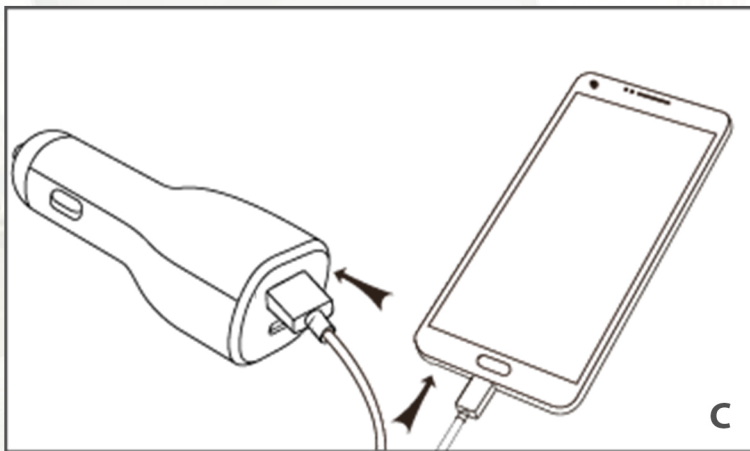

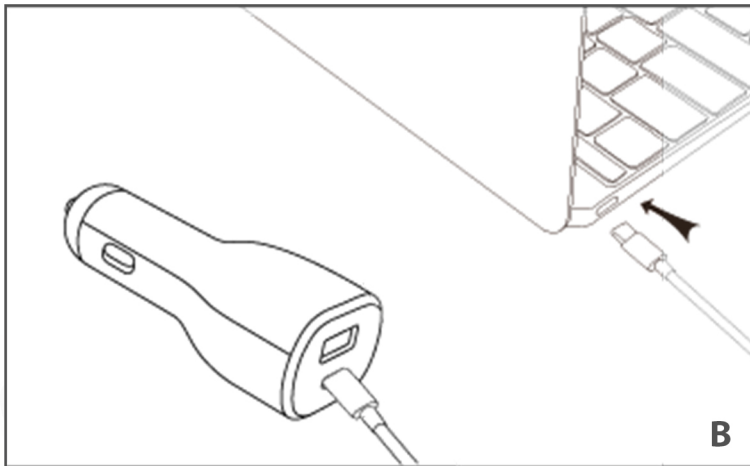

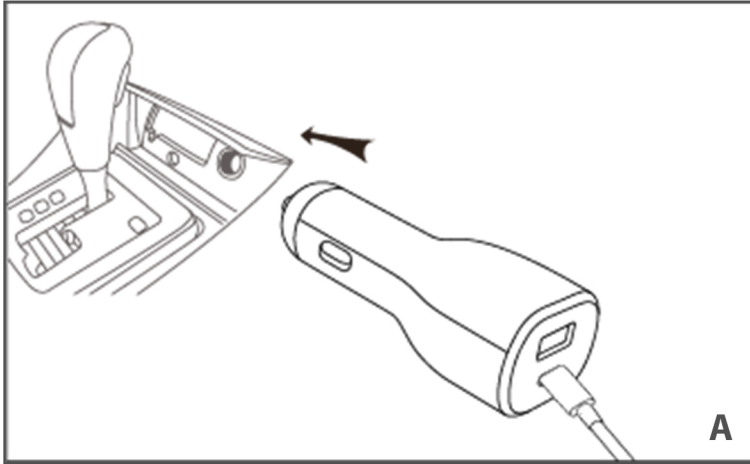

Simultaneously power USB-C and USB-A devices with Qualcomm Quick Charge 4+ standard. Providing fast charging of up to 100W of power and with a 1.2m E-marker USB-C cable included, the HyperPower is the perfect companion for fast energy on the road.

PartCode: **HYP-12VUSBC-100W**

Operation Instruction:

1. Insert the Car Laptop Charger to the DC port of your vehicle. (Image A)
2. If you want to charge a USB-C device, connect the USB-C power supply cable with the USB-C output port of the charger and insert the other end into the power port of your device. (Image B)
3. To simultaneously charge other USB devices, connect the device's original USB cable to the USB-A output port. (Image C)

Part Code:

HYP-12VUSBC-100W

Input:

DC 5V 3A / 9V 3A / 12V 3A / 15V 3A / 20V 5A (max.)

Output:

DC 5V 3A / 9V 2A / 12V 1.5A (max.)

Power:

100W MAX

Unit Dimensions:

85*36*28 mm

Net Weight:

60g

Box Includes

- ✓ Universal Car Notebook Charger PRO
- ✓ E-marker USB-C power supply cable (1.3m)
- ✓ User manual
