

## ASUS ROG Carnyx White Table microphone

**Brand :** ASUS

**Product code:** 90YH03Z0-BAUA10

**Product name :** ROG Carnyx

Professional cardioid condenser gaming microphone features a studio-grade 25 mm condenser capsule, 192 kHz / 24-bit sampling rate, high-pass filter, built-in pop filter, premium metal shock mount, and ASUS Aura Sync RGB lighting

ASUS ROG Carnyx White Table microphone:

### Unleash the Power of Voice

The ROG Carnyx is a professional-grade cardioid USB microphone that features a 25 mm condenser capsule and 192 kHz / 24-bit sampling rate to deliver natural and rich sound. The Carnyx offers clean and uninterrupted recordings thanks to a high-pass filter that reduces low-frequency noise, a built-in pop filter to prevent vocal plosives, along with a metal shock mount to minimize external vibrations.

In addition to giving you studio-grade recordings, the Carnyx also features an intuitive one-touch mute button and multi-functional control knob to take your recording and streaming experiences to the next level.
