

HP CG497A printing film

Brand : HP

Product code: CG497A

Product name : CG497A

Premium Backlit Film, 1626 mm x 20 m

HP CG497A printing film:

- HP Premium Backlit Film is a best-in-class, backlit media that delivers superior image quality. It is designed to generate negligible static for worry-free printing and can be laminated for long-lasting prints.
- HP Premium Backlit Film delivers superior print quality, including vivid colours and the blackest blacks. It is coated with an ink-receptive layer, delivering high-quality imaging and is ideal for eye-catching backlit displays.
- Designed together with HP low-solvent printers it ensures uncompromising reliability, image quality, durability, performance and ease of use.
- Get exceptional durability for both indoor and outdoor print applications. This durable media resists change under temperature and humidity variances, and can be laminated with pressure-sensitive adhesive film for prints that last.
