SMARTMOUNT® Universal Kiosk Stand

FOR 32" TO 75" DISPLAYS

The SmartMount® Universal Kiosk Stand's stylish appearance and sturdy construction make it perfect for diverse applications where aesthetics and safety are key. When paired with flat panel displays between 32"-75" it becomes an integral multimedia platform perfect for virtually any public venue. Space is provided under the display mount to house a media player and surge protector, while the internal cable management system organizes and conceals cables, delivering a complete solution ideal for any application.

- Capable of +90° tilt for kiosk applications
- Secure media player storage below the display with simple access to the device without having to remove the display
- Cables can enter and exit on either side anywhere along the column and are held in place with a high tech polymer cover
- Textured black powder coat finish helps hide finger prints and dust
- Universal display adaptor fits mounting patterns from 200 x 200mm to 600 x 400mm and allows mounting in landscape or portrait orientation
- Optional Caster accessory available: ACC979

Shown with Optional Caster Accessory Kit: ACC979
