Honeywell

TABLE OF CONTENTS

Use the Honeywell CT40 wearable solution to help ensure your workers' continual productivity in small parts picking and packing in retail, warehouse and T&L, reducing labor costs and increasing efficiency through hands-free operation.

WEARABLE SOLUTION CONFIGURATION

Option 1, one each – RECOMMENDED

Any CT40 SKU	CT40-PB-00	CT40-WS-00
CT40 Mobile Computer	**Protective Boot** CT40 TPU boot.	**CT40 Wearable Kit** Kit containing arm-mount sled with corded ring scanner and arm band with wrist pad.

Option 2, one each

Any CT40 SKU	CT40-PB-00	CT40-WS-KIT
CT40 Mobile Computer	**Protective Boot** CT40 TPU boot.	**CT40 Wearable Kit** Kit containing arm-mount sled with corded ring scanner and arm band.

Option 3, one each

CT40-WS-AB or HWS-ARM BAND – Choose one

Any CT40 SKU	CT40-PB-00	CT40-WS-PB	CT40-WS-AB	HWS-ARM BAND
CT40 Mobile Computer	**Protective Boot** CT40 TPU boot.	**Arm-Mount Sled with Corded Ring Scanner** Arm-mount sled with corded ring scanner.	**Arm Band** Arm band with wrist pad.	**Arm Band** Arm band.

CHARGERS (for Use with TPU Boot)

RECOMMENDED

CT40-CB-PB-0

Charge Base, Standard

For recharging up to four computers. Kit includes dock and power supply. Excludes power cord. Compatible with CT40 with TPU boot only.

CT40-NB-PB-0

Net Base, Standard

For Ethernet communications and recharging up to four computers. Kit includes dock and power supply. Excludes power cord. Compatible with CT40 with TPU boot only.

CT40-CB-PB-1

Charge Base, U.S.

For recharging up to four computers. Kit includes dock, power supply and U.S. power cord. Compatible with CT40 with TPU boot only.

CT40-NB-PB-1

Net Base, U.S.

For Ethernet communications and recharging up to four computers. Kit includes dock, power supply and U.S. power cable. Compatible with CT40 with TPU boot only.

CT40-CB-PB-2

Charge Base, EU

For recharging up to four computers. Kit includes dock, power supply and EU power cord. Compatible with CT40 with TPU boot only.

CT40-NB-PB-2

Net Base, EU

For Ethernet communications and recharging up to four computers. Kit includes dock, power supply and EU power cable. Compatible with CT40 with TPU boot only.

CT40-CB-PB-3

Charge Base, UK

For recharging up to four computers. Kit includes dock, power supply and UK power cord. Compatible with CT40 with TPU boot only.

CT40-NB-PB-3

Net Base, UK

For Ethernet communications and recharging up to four computers. Kit includes dock, power supply and UK power cable. Compatible with CT40 with TPU boot only.

BATTERY CHARGERS

CT40-QBC-0

QBC, Standard

For recharging up to four batteries. Kit includes dock and power supply. Power cord must be ordered separately.

CT40-QBC-1

QBC, U.S.

For recharging up to four batteries. Kit includes dock, power supply and U.S. power cord.

CT40-QBC-2

QBC, EU

For recharging up to four batteries. Kit includes dock, power supply and EU power cord.

CT40-QBC-3

QBC, UK

For recharging up to four batteries. Kit includes dock, power supply and UK power cord.

HOME BASES (for Charging Without TPU Boot)

CT40-HB-0

Home Base, Standard

Kit includes dock and power supply. Power cord must be ordered separately. For recharging computer and battery. Supports USB client via USB Type B connector.

CT40-HB-1

Home Base, U.S.

Kit includes dock, power supply and U.S. power cord. For recharging computer and battery. Supports USB client via USB Type B connector.

CT40-HB-2

Home Base, EU

Kit includes dock, power supply and EU power cord. For recharging computer and battery. Supports USB client via USB Type B connector.

CT40-HB-3

Home Base, UK

Kit includes dock, power supply and UK power cord. For recharging computer and battery. Supports USB client via USB Type B connector.

CT40-EB-0

Ethernet Home Base, Standard

Kit includes dock and power supply. Power cord must be ordered separately. For recharging computer, battery and Ethernet communications. Supports USB client via USB Type B connector.

CT40-EB-1

Ethernet Home Base, U.S.

Kit includes dock, power supply and U.S. power cord. For recharging computer, battery and Ethernet communications. Supports USB client via USB Type B connector.

CT40-EB-2

Ethernet Home Base, EU

Kit includes dock, power supply and EU power cord. For recharging computer, battery and Ethernet communications. Supports USB client via USB Type B connector.

CT40-EB-3

Ethernet Home Base, UK

Kit includes dock, power supply and UK power cord. For recharging computer, battery and Ethernet communications. Supports USB client via USB Type B connector.

DISPLAY DOCKS

CT40-DB-0

Display Dock, Standard

For connection with an external display, and extends I/O for HDMI, Ethernet communications and three USB ports. Kit includes display base and power supply. Must order power cord separately.

CT40-DB-1

Display Dock, U.S.

For connection with an external display, and extends I/O for HDMI, Ethernet communications and three USB ports. Kit includes display base, power supply and U.S. power cord.

CT40-DB-2

Display Dock, EU

For connection with an external display, and extends I/O for HDMI, Ethernet communications and three USB ports. Kit includes display base and power supply. Must order power supply and EU power cord.

CT40-DB-3

Display Dock, UK

For connection with an external display, and extends I/O for HDMI, Ethernet communications and three USB ports. Kit includes display base and power supply. Must order power supply and UK power cord.

POWER SUPPLIES

318-055-011	318-055-015	50121666-001	50121667-001	50130570-001
Spare Battery Pack	**Spare Battery Pack**	**Desktop Power Supply**	**Quad Base Power Supply**	**Power Plug Adapter Kit**
CT40 Battery Pack, 4040 mAh, for use with CT40 configurations with plastic battery latch button (last two digits in part number begin with **0**: CT40-L*N-xxxxx**0**x).	CT40 Battery Pack, 4040 mAh, for use with CT40 configurations with metal battery latch button (last two digits in part number begin with **A** or **B**: CT40-L0N-xxxxx**A**x or CT40-L1N-xxxxx**B**x).	A 36 W power supply for use with Ethernet home base, charge-only home base and quad battery charger. Requires country-specific line cord to be ordered separately.	A 84 W power supply for use with four-bay charging base and four-bay net base. Requires country-specific line cord to be ordered separately.	USB power adapter (5 V, 2 A) kit for snap-on adapter. Includes EU, UK, U.S. and IN plugs.

AC LINE CORDS

50127245-001	50117501-001	50117503-001	77900506E	77900507E
Power Cord – India	**Power Cord – Australia**	**Power Cord – CB**	**Power Cord – U.S.**	**Power Cord – UK**
Power cord, India, 1.5 m (4.9 ft).	Power cord, Australia, 2.5 m (8.2 ft).	Power cord, Argentina, Isled CB.	Power cord, U.S., IEC320-C13, 1.85 m (6.07 ft).	Power cord, UK, IEC320-C13, 2.5 m (8.2 ft).

77900508E	19-19807	19-19726		
Power Cord – EU	**Power Cord – China**	**Power Cord – U.S.**		
Power cord, Europe, IEC320-C13, 2.5 m (8.2 ft).	Cable, China cord set (CCC), 2.5 m (8.2 ft).	Cable, power cord/IEC, U.S., 2.5 m (8.2 ft).
