# WiZ

SMART PLUG UK

The WiZ smart plug can make any socket smart. Just plug in your ordinary light or appliance and you'll be able to control them with your smartphone or your voice. With schedules, you can turn devices on and off to fit your daily routine and save energy. You'll never need to worry about whether you've left your lights or appliances on at home, because you can check on them with your smartphone.

PRODUCT HIGHLIGHTS

- Plug and Play
- Compatible with Alexa & Google Home
- Control with app or voice

Instant setup for all your smart home functionalities

Start using all your smart home features easily, by connecting your new WiZ device to your Wi-Fi network. Control your lights and devices even while you're away from home and set schedules to turn them on and off automatically. No need to install additional hardware such as hub or gateway!

Make everyday devices smart: lamps, fans and more

Control regular lamps, decorative lights, fans, your coffee machine and more. Use WiZ to control devices that only need their power to be on, to link and react to the app.

Easy scheduling and automation of smart lights and devices

Schedule your home lights or appliances to turn on or off automatically and follow your daily or weekly routines. Automate your lights and devices to stay off when they're not necessary, to stay safe and save energy.

Control devices from anywhere with your smartphone

No need to worry if an electrical device was left on while no one's home. Simply turn it off or control other devices from wherever you are, using your smartphone.
